Head of the organization

CIVIL:

**Theme: ECO-Friendly Construction
Methods and Techniques**

Topics:(Not Limited To)

- Waste is Wealth
- Smart Materials
- Effluent Treatment
- Green Building Techniques
- Eco Systems
- Pollution Control
- Sustainable Future Infrastructure
- Re-use of waste for growth

CSE:

**Theme: Ubiquitous Computing for
Augmented Reality**

Topics: (Not Limited To)

- Robotics
- Deep Learning
- Machine Learning
- Computer Vision
- Big Data
- Network Security
- Advanced Wireless Networking
- Mobile Computing
- Artificial Intelligence

ECE:

**Theme: Innovations in Communication
and Networks**

Topics: (Not Limited To)

- Wireless Communication Techniques
- Wireless Sensor Networks
- Artificial Intelligence
- Mobile and Optical Communication
- Signal Processing techniques
- MEMS and Nanotechnology
- Robotics Intelligence

EEE:

**Theme: Enhancement in Hybrid
Electric Vehicles**

Topics: (Not Limited To)

- Hybrid Vehicle

- Driving of hybrid electric vehicle
- Belt alternator starter systems
- High voltage safety
- Electric shock potential
- De-Powering the high-voltage system
- PLC & SCADA

MECH:

**Theme: Innovative Approaches in
Energy And Green Manufacturing**

Topics: (Not Limited To)

- Advanced Materials and Alloys
- Flexible Manufacturing
- Nonlinear Dynamics
- Additive/Subtractive Manufacturing
- Optimization Techniques
- Thermal Aspects of Materials

MBA:

**Theme: Recent trends in Business
and management**

Topics: (Not Limited To)

- Business Policy & Strategy
- Economic Policy
- HR Accounting
- Finance & Accounting
- Behavioral Finance
- Balance of Payments

ABOUT THE INSTITUTION

Dhanalakshmi Srinivasan College of Engineering(DSCE), Coimbatore, approved by AICTE, New Delhi and affiliated to Anna University, Chennai was established in the year 2008. The main objective of the institution is to impart knowledge and training to students from rural areas. DSCE offers seven UG degree programmes namely Computer Science and Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering Biomedical Engineering and Food Technology and one PG programme MBA. The infrastructural facilities available on the campus are as per norms and best in the region.

ABOUT THE CONFERENCE:

DSCE-ICETEM-2020 is a conference determined to address the various challenges and issues arising in the promotion of the field and also set standards for further researches in these sectors.

CALL FOR PAPERS:

This international conference is uniquely designed to offer a platform for academicians, scientists, R&D institutions and research scholars in the field of information, embedded and communication systems to present their research results and aims to provide a forum for participants to exhibit their quest for Engineering and Technology and also to showcase their research work to a wide audience, everyone can interact with prominent figures from academia and industries to help shape their career. DSCE writes full paper in topics of interest including sub themes for the first series of international conference DSCE-ICETEM-2020.
