

## **ENTREPRENEURSHIP DEVELOPMENT CELL**

Entrepreneurship Development cell has been formed at Dhanalakshmi Srinivasan College of Engineering, Coimbatore to develop the entrepreneurship skills among young minds and to model them as dynamic entrepreneurs. EDC cell targets to help in the development of India's entrepreneurial ecosystem by enabling easy and efficient interaction between its major components spanning students, working professionals, aspiring and existing entrepreneurs, mentors, angel investors, venture capital firms and corporate officials through various initiatives like interactive sessions, competitions, conferences.

### **Objectives of EDC**

- To create awareness about entrepreneurship, skill development, conduct of innovation contests and mentor students
- To provide space and basic infrastructure for student community to discuss, interact with successful entrepreneurs/ businessmen, metamorphose their innovative proposals, incubate their ideas/ prototypes, generate IP and execute their business/start-up plans.
- To support young innovators to work with new ideas and convert them to prototypes and facilitate patenting and start-up ventures.
